### ANDREW RUSSO

Andrew Russo became acclimated to the Real Estate industry at a young age, working for his family in their real estate brokerage while in high school, and during summer vacations in college. Upon graduating Florida State University, he worked in corporate America while earning his Masters of Business Administration. Throughout his career in the real estate industry as a broker/sales associate and developer/principal, Russo has closed over \$1 Billion of real estate. In addition, he has successfully developed from land acquisition, through local and state municipal approvals, on to construction with a market value in excess of \$50 million. As broker and principal of The Russo Group, he coordinates daily operations with his wife and partner, Milla Russo, and their team. As one of the top Real Estate professionals in the market, the Russo's leverage their vast experience in real estate brokerage, development, construction, financing, leasing and marketing for the benefit of their clients.

### MILLA RUSSO

Upon graduating Palm Beach Atlantic University with a degree in Organization Management and Marketing, Milla Russo began her career working in Düsseldorf, Germany in international marketing for several years. She moved back to Jupiter and began her real estate career as a paralegal for a real estate law firm. Ultimately, she became a highly successful real estate sales associate by utilizing her strong marketing background along with her real estate knowledge and her persistency and resourcefulness. Milla has partnered with her husband, Andrew Russo since 2010, where she leads The Russo Group in customizing and unique approaches for marketing and advertising, utilizing the latest technologies and making their listings stand out among the crowd at a high level of success.
